

ELECTRONIC PAYMENT COMMUNICATIONS DISCLOSURE

If you wish, you may pay fees electronically using a payment card through the Square, Inc. service.

Please Be Aware of the Following:

I have a duty to uphold your confidentiality and thus I wish to make sure that your use of the above payment service is done as securely and privately as possible.

After using the above service to pay your fees, that service will send you receipts for payments by email or text message. These receipts will include my business name and would indicate that you have paid for a therapy session.

It is possible the receipt may be sent automatically, without first asking if you wish to receive the receipt. I am unable to control this in many cases and I may not be able to control which email address or phone number your receipt is sent to.

Before using the above service to pay for your sessions, please think about these questions:

- At which email address or phone numbers have I received these kinds of receipts before?
- Are any of those addresses or phone numbers provided by my employer or school? If so, the employer or school will most likely be able to view the receipts that are sent to you.
- Are there any other parties with access to these addresses or phone numbers that should not be seeing these receipts? Would there be any danger if such a person discovered them?

In addition to these possible emails or text messages, payments made by credit card will appear on your credit card statement as being made to **Jill W. Hess, M.S., CCC-SLP (Connect the Tots)**. Please consider who might have access to your statements before making payments by credit card.

Health Savings Accounts and Flexible Spending Accounts:

If you are using a Health Savings Account (HSA) or Flexible Spending Account (FSA) payment card, please be aware that even if your payment goes through and is authorized at the time I run your card, there is a possibility that your payment could later be denied. In the event of this happening, you are responsible for ensuring that full payment is made by other means.
